The Soldiers' Reunion a Very Successful Affair.

The eighteenth annual reunion of the Old Soldiers and Sailors association of Phillips county, Kans., which was held in Close's Grove August 29, 30 and 31, was in every way a success, in fact, it so pleased the members of the association that it was decided to hold all reunions of the association hereafter at this place.

WEDNESDAY'S PROGRAM.

At 11 o'clock on the 29th President Strain called the audience to order, and in a general way told of the exercises of the week. Plenty of seatings had been arranged for. At 2 o'clock p. m. the crowd was drawn to the speakers' stand by music and Hon. W. A. Reeder, congressman from this district, was introduced and entertained the audience for about thirty minutes. He was followed by Governor W. E. Stanley, who made a very eloquent and patriotic address. In his closing remarks he touched a little on politics, but not enough to hurt or help anybody. At the close of his address he was preceded by Miss Harwood with a Kansas sunflower. The governor made a very appropriate speech in which he expressed his thanks to the ladies for their thoughtfulness. W. G. Bissell also presented Mr. Stanley with a huge watermelon with the compliments of I. T. Williams. The governor shared his melon with a number of visitors.

On Thursday an enormous crowd was in attendance. The morning was devoted to a camp fire. After dinner addresses were made by Revs. Loof-borow and Hageman and Dr. Wallace. The efforts of these gentlemen were highly appreciated by the hundreds present.

Friday morning a business meeting of the association was held, and in the afternoon Hon. N. B. McCormick was given the closest attention. Many words of commendation have been uttered by his auditors. Revs. Mann and French also made a few appropriate remarks.

THE MUSICAL FEATURES

of the meeting were very fine. The HERALD does not know to whom the credit of the music belongs, but who ever he or she may be, they should feel that nothing was ever done which gave so much delightful enjoyment to so many people.

THE PHILLIPSBURG ORCHESTRA is composed of Mrs. Theo. Close and Mrs. H. C. Bickford, first violins; Ross McCormick and Theo. Close, second violins; Oscar Strain, cornet; R. F. Stinson, flute; H. C. Bickford, trombone; Mrs. R. F. Stinson, organ; I. H. Rogers, bass. The numbers given by this organization were of a very high order and show a wide range. There may be bigger orchestras in the country, but there are none better.

THE PHILLIPSBURG BRASS BAND has for its members F. A. Tidd, leader and b. cornet; H. A. Mann, 1st cornet; Ralph Winslow, 2nd cornet; Art. Caswell, piccolo; Charles Kelley, alto; Ray Maxson, alto; Larry Mills, trombone; Chauncey Daggett, baritone; Olovis Johnson, tuba; Ross Smith, snare drum; F. L. Daggett, bass drum. This band appeared on the platform dressed in a neat uniforms and gave to the people for their share of the program, a collection of the best grade of music published.

THE BIG CHORUS under the direction of E. B. Sewell, made a hit and furnished a program of most appropriate music. Messrs. Lewis in "Old Shady" and Sewell in "Pickin' on the Harp" were especially good numbers.

The bright colors of the W. B. O. tent greatly improved that portion of the grounds.

The steam merry-go-round and booths did a good business and helped out in defraying expenses.

At the business meeting John Hahnkratt was elected president, Rimer Smith secretary, and Frank Strain, treasurer. W. J. Witham, H. C. Bickford and W. J. Palmer were chosen as vice presidents. The president appointed the following as executive committee: H. J. Shaver, Henry Vincent, Marcus Moore, A. Pennington, John Reeder, E. W. Warner and J. D. Mattison.

People's Party Convention.

Tuesday the delegates of the people's party voters of the county met at the court house for the purpose of placing in nomination a county ticket. Through an oversight the date of the convention was fixed during court week. As there is but one place in the city now available for holding conventions, and that is the court room, Judge Pratt suggested to the Court that an adjournment be had. The Court very obligingly consented. Convention was called to order by Chairman Warner, owing to the absence of the secretary E. E. Brainerd read the call. On motion Dr. H. D. Brothers, of Plum, was chosen as temporary chairman and E. E. Brainerd as temporary secretary. The chairman appointed John Breaker, George Farrell, D. Stevens, committee on credentials; A. B. Dixon, J. L. Barringer, George Van Allen, S. M. McFall, N. Smith, committee on rules and order of business; J. M. Tadlock, George Tannahill, P. O. Wagoner, C. J. Van Allen, J. F. Arnold, committee on resolutions; S. C. Landes, Jno. Steele, Thomas Brown, as a committee of conference with the democrats, and the convention adjourned until 1:30 p. m.

At 1:30 convention was called to order and reports called for. The committee on credentials reported the following delegates and alternates:
